An Overview of (some) Classical Civilizations

1000BC – 500AD

Part 1: Prezi of Classical Civilization

You and a partner will go through the Prezi together on the computer. Fill out the chart on the back as you go through the eight different civilizations. Use the space below to write questions or topics you might want to investigate further. (There should be at least 4 topics/questions in this section.)

Part 2: Investigate on your own (if you finish early)

Pick one or two of the topics/questions from above. Circle or underline it now. Then use your remaining time to research that question/topic now. Write your answer below.
